The 2014-15 school year with students has officially concluded. Congratulations to the senior class of 2015 – best wishes as you move forward into the next phase of your life! We are coming off of a year that had our largest enrollment in school history which was very positive for the district. We continually examine ways to enhance our existing structure and programs while maximizing fiscal responsibility. Each and every one of us has the power to be a positive difference maker for kids!

**Building and Grounds Projects:**
- Throughout the summer break, our custodial staff will be working on the typical projects associated with this time of year. In addition, the following capital projects will be completed: 1) Crack seal the north and south parking lots, 2) Gym floor sanding/finish/repaint, and 3) Stage floor sanding/finish.

**Technology:**
- The technology office will be busy this summer prepping for next school year. As technology is ever-changing, our high school students will be receiving new, 1:1 tablet computers to start the 2015-16 school year.

Thank you to the students, faculty, parents, and patrons of the district – a school district needs the support of everyone and we are blessed to have a positive school and community partnership.

I look forward to seeing all the smiling faces when we resume school in August. School will start for students on August 20. Until then, enjoy a safe and fun-filled summer!

Mr. Larson
Dear parents, students, and community members,

According to William Butler Yeats, “Education is not the filling of a pail, but the lighting of a fire”. As another school year closes, my hope is that fire is burning strong in our students. The combination of our great staff, students, parents, and community allows for that fire to grow. It truly takes all of us to help mold our young people into future professions. These are just some of the great reasons why Chester Area has such a fine education system.

Once again our drama department showed off its talents in the school 3-Act play Lotto Date. The play was directed by Mrs. Schneider and assisted by Mrs. Johnson, and Mrs. Van Zanten. This cast had many talented individuals from grades 8th-12th. Leading the charge in their final performance as seniors were Bailley Schneider, Jade Larson, Maddie Swift, Jacob Campbell, Allison Jungen, and Courtney Stewart.

The middle school golf and track teams finished their seasons strong. Mrs. McDonald guided the golfers while Mr. O’Connell and Ms. Benson worked with the tracksters. Several middle track records fell during the season.

Mr. Peterson and the high school golf team had a tough season with South Dakota’s Mother Nature. Throughout the poor conditions, golfers continued to improve and grow. At the BEC golf meet, we had Bailley Schneider, Taylor Martens, Kaleb Eich, and Greg Kahler medal. Two students represented Chester Area at State this year in Yankton: our lone senior Bailley Schneider and freshman Cole Pry. Congrats golfers!

The Chester Area Track Team also had to deal with those same South Dakota elements. About 40 students in 7th-12th grade were involved in the Flyer Track Program this year under head coach Mrs. Larson and assistant coaches Mr. O’Connell, Mrs. Philips, Mr. Bauder and volunteers Mrs. Strom and Mrs. Glover. The season was full of many successes for the Flyers. The Flyers finished their season with the girls getting 2nd place and boys 5th place at the state track meet held in Rapid City. Below are the records that were broken throughout the season as well as the state meet results.

**New HS Track Records:**

Mikeal Tammen: 4X200m Relay Champ & 4th place in 4X100m Relay

Also qualifying for the state track meet were Molly Heyn, Jennalee Hoyer, Hanna Reiff, Cole Anderson, and Evan Baumberger. Great job tracksters and coaches!

Throughout the spring our middle school went to several quiz bowl competitions. These students along with their coach Mrs. Jen Nelson did a great job representing Chester Area. In April, Chester Area hosted a 5th and 6th grade quiz bowl competition where one of our 6th grade teams placed first. Great job students!

On May 16th, Chester Area celebrated its 49th commencement exercise with 23 graduates. Co-Valedictorians Bailley Schneider and Maddie Swift started the day with excellent speeches preparing their fellow classmates for the future and the gifts they have to offer. Congratulations class of 2015!!

I hope all of you enjoy your summer. I’m already looking forward towards another great year at Chester Area. If you have any questions, please feel free to contact me at 489-2411 or via email at Julie.Eppard@k12.sd.us.

Kids First,
Julie Eppard

REMINDER

Parents/Guardians,

Please remember that ALL students that plan on participating at high school athletics (high school football, volleyball, cross country, basketball, cheerleading, wrestling, golf, and track) for the 2015-2016 school year MUST get a physical. Physicals MUST be completed and turned into the office prior to the first day of practice. High School football and volleyball practices start on Thursday, August 13th. The following is the link to get your athletic physical paperwork (must take this paperwork with you on the day of the physical): http://www.sdhsaa.com/Portals/0/PDFs/Forms/Athletics/PhysicalExams.pdf

If you have any questions please feel free to contact me at Julie.Eppard@k12.sd.us
WOW! That was an amazingly quick school year. It seems like yesterday we were at open house and starting off the year. I guess time flies when you are having fun and working hard in the classrooms.

I need to take a moment to thank the people that make a huge difference in our school and in the lives of our students. I would like to give a huge thank you to our teachers. I truly believe that we have the best teachers in the world. They go above and beyond their duties to reach every student and to make a difference in their lives. Thank you support staff: paraprofessionals, secretaries, cooks, bus drivers, and janitors for all that they do to keep the day-to-day operations of the school going. Thank you to the parents, grandparents, and guardians of our students, for without you, all the work done at school would be lost. We see huge strides and gains from our students because of all your help. Thank you to all of our volunteers, they do a great deal for our school as well. Lastly, I would like to thank our students. It is your willingness to learn which makes our school a success.

We had some very fun and successful events towards the end of the school year. “Muffins for Moms” and “Donuts for Dads” were two successful events that were held in the elementary. Both events brought in many parents, grandparents, and guardians to our school. We look forward to continuing this in the future.

All the classes had a lot of fun at the end of the school year on a number of different field trips. Our preschool students spent a day at the Children’s’ Museum in Brookings, Kindergarten and first grade went to Great Plains Zoo, second and third grade went to Prairie Village, and the fourth graders spent the day at the Kirby Science Center. The fifth grade and I had the pleasure of spending the day at the Gracevale Hutterite Colony. Students learned about the Hutterite ancestry, culture, and way of life.

Thank you again for a great and wonderful school year. I hope all of you have a fantastic summer. My hope is that you will use the time to reenergize and make memories with family. We will see you August 17th for our elementary open house from 5:30-6:30.

Mr. Knight
Elementary Principal

The 10th annual **Chester American Legion Auxiliary Scholarship** is awarded to an outstanding Junior Auxiliary member and, in the event there is not a qualifying junior member, an outstanding senior girl. The award recognizes girls who show commitment to support military personnel and their families, their school, and community by actions they have taken over their high school career. Sara Heyn, Bailley Schneider.

The **Chester Area Community Scholarship** is awarded to a senior who maintains a minimum of a 3.0 GPA and who will be pursuing a degree from a 2- or 4-year institution of higher learning in South Dakota. Cole Acheson, Bailley Schneider.

The **Chester Centennial Scholarship** is awarded to a student who is a leader and active member in the community. Cole Acheson, Sara Heyn.

The **Chester Education Association Scholarship** is a scholarship awarded to a senior who is seeking a four-year degree in the education field. This scholarship will be awarded to the applicant who embodies the characteristics and enthusiasm of an educator. Sara Heyn.

The **Edna Hess Memorial Scholarship** will be awarded to a senior who is pursuing a degree in education. This scholarship is given in memory of Edna Hess, who taught at a country school in the 1930s. Her selfless acts, determination, and can-do spirit live on through her family and this scholarship. Sara Heyn, Jade Larson, Madisen Swift.

The **First Bank & Trust Scholarship** is awarded to seniors in the areas of Canton, Madison, Sioux Falls, and Watertown whose families are account holders. Bailley Schneider.

The **Interstate Telecommunications Cooperative and Dean E. Anderson scholarship** is awarded to a customer of ITC and is considered for his/her school attendance record, activities, honors, community service, and employment history. Cole Acheson.

The **Investment Centers of America/Power Promotions Scholarship** is sponsored by Tim Schut and Scott Backus. The recipient of this award must have a 3.0 GPA, attend a 4-year college, be involved in a number of extra-curricular activities, and write a paragraph of how he or she would raise money for a cause that they are passionate about. Cole Acheson, Bailley Schneider.

Since 2013, the **Minnehaha Funeral Home Scholarship** has been awarded to one graduating senior from each of the high schools in our area (Baltic, Chester Area, Dell Rapids St. Mary, Garretson, Tri-Valley). This year the board of directors voted to expand the scholarship program to Chester Area High School. Minnehaha Funeral Home (Baltic, Colton, Dell Rapids, Garretson) has always prided itself in its community involvement, and these scholarships will continue that focus. In addition to academic information, applicants were asked to submit an essay on how ethics and morals impacted their daily life. Recipients were chosen by a 5-person committee made up from the funeral home’s board of directors. Sara Heyn.

The **National Honor Society Scholarship** is awarded to a student who is currently a member of the National Honor Society and who best exemplifies high standards in scholarship, service, leadership, and character. The recipient must attend a two- or four-year institution next fall. Cole Acheson, Sara Heyn, Bailley Schneider, Madisen Swift.
The **Next Step Scholarship** is awarded to a senior pursuing a major at a technical institute, trade school, academy (non-military, fire, police, etc.) or managerial program. Jacob Campbell.

**Regents’ Scholars** diplomas are awarded to students who have achieved excellence by completing 4 units each of English, mathematics and science, 2 units of modern or classical language, 3 units of social studies, and 1 unit of fine arts. Cole Acheson, Kole Fetters, Bailley Schneider, Madisen Swift.

The **South Dakota Opportunity Scholarship** is awarded to students with high academics, class rigor, and a minimum 24 on the ACT. This is a 4-year scholarship worth $6,500 for students staying in SD for continuing school. Bailley Schneider, Madisen Swift.

The **Vision of Our Future Scholarship** has no grading factor other than an essay, which the writing style or fashion will not be included in the grade. People who get ahead in life have the drive and self determination to challenge the system and themselves and achieve greater things than we thought possible. This scholarship is for those not afraid to share their vision and do not limit their ideas to any boundaries. Jacob Campbell, Sara Heyn, Madisen Swift.

The **Ashley and Amanda Loban Memorial Scholarship** is in remembrance of the sisters, who were killed in a car accident in Brookings County in 2006. Bailley Schneider.

The **American Legion Leadership Awards** are given to four 8th-grade students and four 12th-grade students who illustrate leadership qualities. **12th grade:** Cole Acheson, Sara Heyn, Madisen Swift, Shane Yost. **8th grade:** Aden Baumberger, Avery Mersch, Chris Mohr, Hanna Reiff.

**Girls State and Boys State** is a program for students in grade 11 who are interested in learning about the government process at various levels, including local, district, and state levels. **Girls State:** Kelsey Geraets, Molly Heyn, Sidney Olson. **Boys State:** Evan Baumberger, Greg Kahler.

**Congratulations to students who also have received outside scholarships.**

**COLLEGE PLANNING**

**Spring/Summer Checklist for Seniors:**
- Follow up with college financial aid office to make sure all of your financial aid paperwork is complete.
- Your financial award letters will begin coming from colleges. Use these letters to compare financial aid offers.
- Report any additional scholarships you receive to your college’s financial aid office.
- Apply for any additional loans (PLUS, private loans, etc.) if you need them.
- Make your final college decision; accept their offer.
- Notify the colleges you have chosen not to attend.
- Plan for registration, orientation, and housing.

**Spring/Summer Checklist for Juniors:**
- Take the ACT.
- Plan to work over the summer and save money for college.
- Start researching scholarships to apply for in the fall of senior year. Go to Chester school counseling website.
- Register for NCAA/NAIA if playing college athletics.
- Update SD My Life with activities, community service, work experience, etc.
Sixth Grade Science

We completed a rocket building unit where my student used straw rockets, stomp rockets, and fizz rockets. So much science was implemented into engineering and performance.

The Dakota Smiles Mobile Dental Program is coming to Madison!!

The Dakota Smiles Mobile Dental Program, with its fully equipped dental offices on wheels, will be at the V.F.W located at 510 S. Washington between: June 22-26th-2015

The Dakota Smiles program provides free dental care to children ages 0-21 who have no dentist. To learn if your child qualifies for this program or to sign up please call now.

Mendy Herke at 605-256-6518 ext 121

We encourage pre-registration and will give priority to low-income and non-insured patients.

Sponsored by Interlakes Area United Way in collaboration with Inter-Lakes Community Action Partnership
School Reach-Telephone Broadcast Service

KJAM, KELO FM AND KKLS FM
will be the radio stations for school cancellation.
These stations will be contacted by 7:00 a.m. If possible.

KELO TV, KDLT TV, AND KSFY TV are
The television stations that will be contacted.

If there is no announcement, it automatically
means school will be in session.

ATTENTION
The safety of our students,
staff, and bus drivers is our
number one concern. Please be
advised that students will not
be counted absent or tardy due
to bad weather.
